

HAITI 2010

An earthquake literally and figuratively shakes your life to the foundations.

Missionary Flights International, one of our mission partners, will be flying extra supplies to Haiti. So we've decided to help with the unglamorous aspect of relief work...purchasing fuel for the planes that take the relief goods to those who need them.

If you are interested in making a donation to help our neighbors in Haiti, please write a check to *Grace Community Church* and earmark it with "Haiti Relief". Credit card donations can be made either online at www.graceboca.org or in the church office. If you go to the website, just click on the 'GIVING'. We'll make sure your donation is given to Missionary Flights International so they can keep their planes in the air with the supplies and relief goods needed in Haiti. *Any donation is helpful. Thank you for caring.*

"Celebrating God • Changing Lives"

Checks can be mailed to Grace Community Church,
600 W. Camino Real, Blvd., Boca Raton, FL 33486,
Attention: Haiti Relief.
