

## Helping People Connect with God... ...become a Prayer Partner

*"Devote yourself to prayer, being watchful and thankful."*  
Colossians 4:2

### Our Vision...

... is to train Prayer Partners who will enhance Grace Community Church's prayer ministry before, during and after worship and throughout the week as we help others to Connect with God.

### Our Training Strategy will equip you to...

- ...learn how to pray out loud, even with others, without feeling intimidated or inadequate
- ...connect with God at a deeper level
- ...become skilled at how to share God's grace and lead people to faith in Christ.
- ...have the confidence to fulfill your calling as a Prayer Partner

If God is calling you to become a skillful Prayer Partner we invite you to attend our upcoming two-part training sessions that will be led by **Werner and Inge Burklin** in the El Rio Room. Call the office to sign up. (561) 395-2811
